MEMORANDUM.

Subject: - Fixation of pay either due to conversion of city pay scale to Mofussil pay-scale or due to Inter Divisional Transfer.

.. ...

The undersigned present compliments to the Controller of Iron and Steel and Cement and with reference to the correspondence ending with his letter No. 441 dated the 1st March 1955 is directed to state that on conversion of the City pay-scale of Rs. 75/5140 E.B. 6-200 prescribed for Junior Clerks into Mofussil pay-scale of 46/3/85- E.B. -4-105 under Government Memorandum, No. EST 1052 E, dated the 9th September 1954, the pays of the incumbents of the posts should be fixed under BC. S.R. 42. as indicated in column 3 of the accompanying statement I. The personal pays drawn by the persons referred to in the statement I should be abscribed in their future increments. They are, allowed to draw their next increment on the date on which it would be earned in the City pay-scale or on the date on which it is due in the Mofussil pay-scale, whichever is earlier.

2. The Controllerts proposal not to take notice of the cases mentioned ain the statement II, as they were rightly paid in the pay-scale that was in vogue at that time and the incumbents of the posts have already left services, is approved.

3. The presumptions made by the Controller of Iron and Steel and Cement in his letter No. 2077 E, dated the 14th September 1954, that the holders of other posts will continue to be paid the Bombay scales of pay, as these posts are not transferrable is correct. The other presumption that he can now sanction increments to the staff transferred from the office of the late Joint Rationing officer (Cement), as if they continued in the

as if they continued in the mofussil scale from the date of their appointment, is also correct.

4. As regards the pay of Shri M.L.Jathar referred to in paragraph 2(1) of the Controller's letter No. 1876-E, dated the 16th June 1953, the Controller is requested to settle the question in consultation with the Audit.
